MEET INTELETRAVEL'S 2026 PREFERRED TRAVEL PARTNERS

This directory will introduce you to the world of recognized travel brands that have partnered with IntelTravel® to provide you with more support, more marketing tools, more exclusive offers, more top quality travel experiences for your customers, and more commission than any other travel suppliers.

Your commitment in return

In return, your commitment is to learn what these Partners have to offer, and recommend their products to your family, friends, co-workers, and other customers whenever possible. These Partners have been chosen because they represent the "Best of the Best" in every category. When you recommend and sell the best quality products, that makes you a top-quality travel advisor and travel resource for your customers.

Other travel brands and suppliers

There are of course many thousands of other travel brands and suppliers, and other travel categories that may not be represented in this Directory. But you will earn more, have more to offer your customers, and get more support by starting with the important Partners in this Directory. Contact customer service to sell any brand that may not be represented here to be sure they are set up with IntelTravel.

How to use this Directory

This directory will help you quickly find the best and most profitable travel products to offer when you get a travel request from a customer. For each Partner, a description summarizes the itineraries, destinations and other product highlights. A list of "Important To Know" bullet points gives

you additional helpful facts and hints. Current commissions are listed too, but always check when booking as commissions may vary depending on several factors.

Registering with Partners

To register with a Preferred Partner, Agents should follow the instructions listed on each supplier's page, and take time to read the **Supplier Registration instructions on page 4** of this directory. Partner Agent portals offer you free customizable e-tools, latest sales and special offers, advisor educational programs, and even online booking engines. Plan to take Partner educational courses that address your customers or your interest the most. Learn more about these Partners to establish yourself as an expert and specialist to grow your travel business. Not every vacation or Partner is a "one-size-fits-all"! Do the work first BEFORE registering and contacting a Partner. Start by watching a pre-recorded webinar in your IntelTravel back office to qualify the Partner and qualify your client. Work smarter not harder!

An important note about contacting Preferred Partner Business Development Managers and Representatives:

Contact information is provided for your use, however less experienced Advisors must contact CustomerService@IntelTravel.com first, prior to contacting Preferred Partner Account Representatives directly. Answers to many questions and basic booking support are available through IntelTravel or from other successful IntelTravel Agents. Reserve direct contact with Preferred Partner Account Representatives for more advanced issues.

A Different Kind Of Cruise Line For A Different Type Of Explorer

Azamara aims to be your next favorite small ship cruise line by going beyond the traditional cruise experience, offering longer stays and overnights to allow immersive discoveries for guests in each destination.

Azamara is a small-ship cruise line and leader in Destination Immersion® and Extended Destination Days, committed to taking people beyond the initial layers of a city and bringing them to the heart of a destination, from cooking and sampling authentic food to listening to traditional music or spending time with locals.

Azamara's intimate-style ships allow guests to reach renowned ports around the world and dock in smaller, off-the-beaten path locations that larger cruise ships cannot access. Azamara consists of a four-ship fleet, Azamara Quest®, Azamara Pursuit®, Azamara Journey® and its latest ship, Azamara Onward SM, each carrying around 700 guests.

Azamara gives travelers the opportunity to connect with the local culture and change their perspective on how they view the world.

Important To Know:

- ❖ **Embracing Destination Exploration** with longer stays, guests can explore a destination by day and experience how these cultural cities come to life at night.
- ❖ **Unrushed and Relaxed** through extended destination days, we provide guests with 10 or more hours in port (including late nights and overnights), which gives them time and opportunity to connect with local cultures.
- ❖ **Country Intesive Voyages** Azamara's carefully curated itineraries are designed to provide travelers more time to discover a country's hidden gems.
- ❖ **Cultural Immersion** Expanded and enhanced offerings through new voyages and land programs allow guests to fully immerse themselves within a destination and see it from a new perspective.

Every one of our 25 ships features its own unique twist on Carnival-style fun. We'll soon be back to a fleet of 27 ships when Carnival Jubilee arrives to Galveston in December 2023 and Carnival Firenze™ comes to Long Beach in 2024. Plus with more U.S. departures than any other cruise line most of our ships are within a 5-hour drive, which means you're certain to find the right ship to match your client.

For over 50 years, our mission has been to make fun, memorable vacations accessible to all. Each time your client sails with us, we make sure to create an environment where they can be the truest and most fun versions of themselves.

Whether you're helping your clients book the perfect family trip, relaxing weekend or planning a major event such as a wedding, conference, or full ship charter...we're 100% certain they're going to have a great time! #ChooseFun.

G Adventures & National Geographic Journeys

Award-Winning Experiences With G Adventures

We believe travel can be the greatest form of wealth distribution the world has ever seen. As a small group tour expert for the last 30 years, we help travellers share themselves to make our planet better.

If you're looking to travel with G Adventures & National Geographic Journeys, you're the kind of person who's open to seeing new places, trying new things, connecting with new people, and learning how different (and similar) we all are over the world. Our tours are built around fostering shared experiences between travellers and everyone they meet along the way. Through a mix of awe-inspiring sights, unique moments, and meaningful local knowledge discovered with other international travellers, each adventure brings you closer to our world, its people, their culture, and their way of life. Our idea of community tourism: our tours, created in collaboration with local businesses and communities, directly benefit the people and places we visit. But it doesn't stop there. The communities we impact extend beyond these destinations to our employees, supplier and agent partners, small business owners, and social followers, leading to our travellers getting a more enriching experience.

Seabourn

At Seabourn, we are passionate about travel

We believe that traveling for pleasure has a redemptive power that enriches people's lives. And we believe that people should travel well. Cruising on a Seabourn ship is unlike any other form of travel. The experience is luxurious, yet relaxed — elegant, yet casual — sumptuous, yet understated. Our intimate ships visit the most desirable destinations worldwide, sailing to the heart of landmark cities, as well as to hidden gems where larger vessels cannot follow.

Seabourn pioneered small-ship, ultra-luxury cruising, and continues to represent the pinnacle of that unique style of travel. Our fleet of intimate, all-suite ships, carrying between 458 and 600 guests each, sail to the world's most desirable destinations at their peak seasons. On board, guests are served by an award-winning crew numbering nearly as many as the guests, hand-picked and extensively trained to deliver Seabourn's signature style of thoughtful, personalized and heartfelt hospitality.

In 2009, Seabourn again raised the bar with the debut of Seabourn Odyssey, hailed as "a game-changer for the ultra-luxury segment." Although larger than the original Seabourn sisters, Seabourn Odyssey carries just 458 guests and offers a wealth of amenities made possible by the highest ratio of space per guest in the cruise industry, including the largest spa on any luxury ship and generous private verandas on 90 percent of her suites. Seabourn Odyssey has since been joined by two identical sisters, Seabourn Sojourn in 2010 and Seabourn Quest in 2011. Our first 600-passenger ship, Seabourn Encore, was delivered in 2016 and a second 600-passenger ship, Seabourn Ovation, was delivered Spring 2018.

Our expanded fleet allows us to offer the award-winning Seabourn experience to more travelers, in more cruising regions than ever before. No matter where in our wide world you want to travel, we offer you the opportunity to see it all in perfect elegance and ease — to travel well — aboard the best small ships in the world.

Important To Know:

- ❖ **NEW EXPEDITION SHIPS:** Seabourn Venture debut in 2022 and Seabourn Pursuit debut in 2023.
- ❖ **PERSONALIZED SERVICE BY PASSIONATE STAFF:** Your onboard housekeeping team service your suite to the highest Seabourn standards.
- ❖ **CURATED VOYAGES TO ALL SEVEN CONTINENTS:** We visit hidden harbors and marquee ports and sail where larger ships cannot go.
- ❖ **WORLD-CLASS DINING:** Enjoy a choice of dining venues including the newest restaurant, Solis.
- ❖ **SEABOURN ALL-INCLUSIVE EXPEDITION DIFFERENCE:** Explore the world's most exquisite destinations while enjoying ultra-luxury amenities onboard Seabourn Venture and Seabourn Pursuit.
- ❖ Cruise to 5 continents and over 160 Expedition ports.
- ❖ Expedition voyages include onboard luxuries that make Seabourn and once-in-a-lifetime experiences in nature via Zodiacs, snorkeling and scuba diving.
- ❖ Each Expedition ship is staffed with a world-class 26-person team of scientists and naturalists. Shore Excursions are included such as hiking, Zodiac® cruises/landings, snorkeling, and scuba diving.

Tickitto is not an event organizer, which allows them to aggregate a vast supply of tickets regardless of who is organizing the event. IntelTravel Advisors will now have direct access to the full event inventory in the Tickitto portal, removing the need to search different ticketing providers.
- ❖ **Integrated into IntelSearch:** Unlike other mass market ticket suppliers with conventional ticketing platforms and disappearing inventory, Tickitto is directly integrated with IntelTravel's booking engine. This means that Advisors will see real-time Tickitto event inventory within their Intelsearch booking engine, enabling you to add tickets directly to trips and packages, plus bookings automatically get registered in your back office. We recommend you book and confirm your tickets first to secure your seats and pricing, and then quickly "add to an existing booking" any hotel, air or additional travel segments for your customer.
- ❖ **High Profile Entertainment:** With Tickitto, the IntelTravel Advisor will now have access to full schedules for major league sports like NFL, NBA, MLB, NHL, NASCAR, Formula 1, FIFA, and more, as well as headliner concerts like The Weeknd, Lady Gaga, Beyonce and top theater events including the Broadway and the London circuit.

We have reenvisioned expedition voyages to facilitate exploration and scientific discovery. Virtually all activities are included in your cruise fare in order to ensure you maximize your discoveries. Landings and excursions offer incredible views of remote landscapes and remarkable wildlife.
- ❖ **The Great Lakes:** From outstanding beauty to historic cities and a deep connection to nature, the Great Lakes are an undiscovered treasure, boasting stunning national parks, iconic wildlife and some of the most fascinating cities in North America. Exclusively adult, superyacht-inspired lady ships

Send your Sailors on a truly gorgeous getaway worth writing home about. Our dreamy itineraries put 100+ destinations across four continents at their fingertips —to explore, to savor, and to capture for the people who make their lives brighter back home.

Our fleet of lady ships travels across Europe, North America, and the Caribbean in peak style. We've accumulated awards — most recently from Condé Nast Traveler 2024 (#1 Large Cruise Ship) and Travel + Leisure's 2024 (#1 Best Mega Ship) — for our incredible onboard experience, and are admired for the "thoughtful touches" in our cabin design, food and beverage program, and entertainment. And once they leave the superyacht-inspired luxury of our award-winning ships, we curate an array of land excursions (Shore Things) that will enhance their appreciation of the culture in every dynamic port city we call home for the day. (Or for the late night. Or even for an overnight, in ports like Cartagena, Mykonos, and more.)

With our Always Included Luxury, their voyage fare includes WiFi, tips & gratuities, dining in restaurants with menus curated by Michelin-starred chefs, soda & water, fitness classes, and entertainment. The only thing we don't cover is the postage... for their inevitable postcard home.

Important To Know:

- ❖ **Always Included Luxury:** The last thing you need on your vacation is a surprise receipt and fine print. It's on us with every voyage including: Wifi, all food, tips, group workouts, and essential drinks
